

SHED SAFETY signage kit!

Help ensure that your shed is a safe and attractive workplace for your staff and visitors!

- AWI is making available a shed safety signage kit for woolsheds, which includes 36 safety signs (22 different signs).
- The signs are printed on UV-stabilised polypropylene for durability, with pre-drilled holes for easy installation. The kit also includes guidance notes to assist in the proper location and installation of these signs.
- Developed and produced by the WA Shearing Industry Association (WASIA), with support from AWI, the kit meets legislative requirements in ALL states.
- AWI is making the kit available to woolgrowers at the handling and postage cost of \$25 (including GST) per kit.

The signs included in the kit are:

- | | |
|--|--|
| • Exit | • First Aid |
| • Emergency Assembly Point | • Fire Extinguisher |
| • Emergency Contact and Evacuation Map | • No Smoking |
| • Authorised Entry Only – Visitors Report to Shed Supervisor / Children Must be Supervised | • No Food or Drink in this Area |
| • Barrier Required When Not Loading | • Do Not Drink |
| • Warning – Wool Press Operating | • Substantial Footwear Required/ No Bare Feet |
| • How to Avoid Workplace Injuries & Improve Team Efficiency | • Eye and Hearing Protection Must be Worn in This Area |
